EDMSL Season 2008'9

Dear Secretary.

Attached below are the Club Update and Teams Application forms for the coming season.

Please note the following information. There is a lot to take in, but it is all relevant:

- 1) The closing date for receipt of applications is 31st May'07. Late Applications will not be considered until all valid applications have been processed. If subsequently accepted these late entries will incur a £10 fine
- 2) The return of the Club Update form by this date indicates your interest in continuing Membership of the League, and helps to ensure we can contact your club. Completed form required by 31st May.
It is important that you PRINT the correct club name. It must be the same as that registered with Hants FA for your affiliation. We have to match our applications with Hants FA Affiliation list.
If you are a larger club you may have a separate secretary handling mini soccer: it is this person's details that should be declared on the Club Update form as the primary contact for your club.
- 3) Team Applications.
 - i) Only one form needs completing to include all the teams you wish to be considered for membership.
 - ii) Enclose remittance to cover all teams listed on the form (at the rate of £20 per team). Club Cheques only please payable to EDMSL.
 - iii) Please declare the team names exactly as you wish them to be recorded. Changes to these names will only be accepted if the change is submitted in writing (email acceptable) before 31st May. Changes will not be accepted after that date.
 - iv) Clubs are not being asked to supply team manager details at this stage, but please see note 7 below.
 - v) It is in your own interest to make sure forms are completed correctly, and the correct remittance included. Applications will not be acknowledged unless one of the following is supplied:
 - (1) A contact email address, normally the Club Secretary, or
 - (2) A stamped, addressed, envelope.
 - (a) If neither is supplied then incorrectly submitted applications may be placed aside until after 31st May.
 - vi) Make sure that the correct postage is affixed to your mail, as postal charges are now dependent on size. Non delivery of your applications because of this will cause delay and almost certainly result in a fine to the club.

- 4) Processing of Applications.
 - i) After the deadline of 31st May, valid Applications will be considered for acceptance, against the numbers the League considers practicable. Applications above these numbers will be placed on Waiting Lists at each age group.
 - ii) If any club is still in the position of owing monies to the League, none of their team applications will be processed until these debts are resolved.
- 5) I'm sure you're well aware that we usually receive more team applications than we can accept. At each age group we aim to take at least one team from every club, and usually manage to accept two. Extra team applications will be considered only if places remain. Please remember that previous acceptance of teams does not guarantee acceptance in subsequent seasons.
- 6) The situation regarding team applications and possible waiting lists will be notified at the end of the AGM.
- 7) You are reminded that every team must have a playing team (5, 6, or 7 players depending on age group), together with details of team manager, registered at one of three registration meetings to be held around 17th July'08. If either of these requirements is not met the team(s) will be excluded from the League.

Please contact me if you have any enquiry regarding Club and Team applications.

Regards,
