what's new

Below is a route by route summary of changes that occurred on the 17th January. If your route isn't listed the timetable hasn't changed to what was previously published.

- Services **26/28/76/76A** - Some journeys have minor changes to times.
- Service **29/30** will now serve Royal Clarence Yard in both directions providing a short walk to Priddy's Hard and the Explosion! museum.
- Service **31** – retimed to improve reliability.
- Service **33/35** – slight retiming from Fareham to improve headway with the 34.
- Service **34** – withdrawal of the last return journey in the evenings following a review by Hampshire County Council of bus service subsidy.
- Service **36** – Journeys between Lee on the Solent and Fareham will be diverted to serve Portsmouth Road and Elmore Road
- Service **38/38A** – two morning trips have been retimed earlier to provide improved connections to train services at Cosham.
- Service **72** – The 0655 from Titchfield to Southampton on Mondays to Fridays, and the 0755 Saturday journey from Titchfield to Southampton will both be extended to start at Gosport Ferry. There are also some minor changes to the 0710 and 0815 journeys from Gosport to Southampton which have been retimed to start up to five minutes earlier to improve reliability.
- Service **80** – Following the successful launch of the half hourly service, there will be small changes to the timetable to improve the reliability of this service. The Sunday service will be reduced following a review by Hampshire County Council of bus service subsidy.

- Service **87/87A** – Following a review by Hampshire County Council of bus service subsidy the timetable has been revised. All buses will operate via Spring Garden Lane and Forton Road, and the diversion via Bridgemanry will be withdrawn. Both the 87 and 87A will therefore follow the same route between Gosport Ferry and Peel Common. Services 87B and 87C have been withdrawn.
- Service **88** – The Sunday and weekday evening service will be slightly reduced following the County Council's review.
- Service **93/95** – following customer feedback and consultation with Fareham Borough Council we have revised bus services to Thorri Avenue and Frosthole Crescent. Services 93/95 will continue to serve Frosthole Crescent. Service 93A and 95A will now serve Thorri Avenue in both directions. Service 93 and 93A will run in a clockwise direction and service 95 and 95A will run in an anti-clockwise direction. This revision gives customers in Thorri Avenue a bus service in both directions and also an improved bus service to Fareham railway station during the peak times.
- Service **94** – following a review by Hampshire County Council of bus service subsidy this service has now been simplified providing an hourly bus service in both directions. Services diverted into Knowle Village will be renumbered 94A.
- School service **683** will be withdrawn.

First time travelling?

It's this easy.

Your step by step guide....

1 Firstly, find out which bus takes you where you want to go. Timetables with maps are available to help you or you can call **TRAVELINE** on **0871 200 22 23** where staff will be happy to help you plan your journey.

2 When the bus approaches your bus stop the number and destination of the service will be displayed on the front of the vehicle.

3 To stop the bus, signal clearly to the driver by raising your arm and when it stops carefully step aboard. Many of our buses can lower the suspension to make getting on and off easier - Just ask the driver if you need help.

4 Your driver will be happy to advise you on the appropriate ticket for your journey. Having the correct fare will reduce delays, but change is available if you do not have the right money.

5 All you have to do then is find a seat, sit back and enjoy your journey. Many of our buses have special zones where buggies and shopping trolleys can be safely parked.

6 When you want the bus to stop, simply press the bell once in good time and remain in your seat until the bus comes to a stop. **Now you've arrived at your destination without the worry of having to find a parking space or change for the meter - all you have to do is enjoy your day!**

information

Super Low Floor Buses

Super low floor buses are accessible to all customers and allow wheelchairs and pushchairs to travel safely in a designated space at the front of the bus.

Super low floor buses are normally found on routes **1A, 5, 5A, 72, 80, 81, 82, 83, 85** and **86** although on occasions it may be necessary to substitute a bus that is not super low floor onto these routes to ensure the service is maintained.

We cannot guarantee the designated space will be available on every journey and we would ask customers to show consideration and allow wheelchair users priority, collapsing any pushchairs and stowing them safely in the luggage area if necessary. Should a wheelchair user wish to board the bus you are travelling on please vacate the designated area if possible.

Child Fares

Child single and return fares are available on all of our timetabled services (except certain contracted routes such as park & ride) offering a substantial discount over the normal adult fare. FirstDay, FirstWeek and FirstMonth tickets are also available to purchase from the driver at reduced rate. Child tickets are valid for journeys commencing before 10pm.

Children aged 13-15 require an under16 pass or other appropriate age ID in order to qualify for child fare discounts. We recommend any children who are under 16 but look older to apply for an under16 pass. For more information please visit our travel shops, download an application form from our website or ask at any participating school.

Other discount fares are available to young people in education, please ask at our travel shops or school or college for more information.

If you have a pre-paid pass then please show this to the driver on boarding the bus. You may be asked to show your ticket by a company official at any time during your journey, failure to produce a valid ticket may mean you will have to pay the full fare for the journey again or you may be asked to leave the bus.

Council Subsidy

Over 80% of First Hampshire & Dorset bus services are operated commercially, that is we receive no subsidy from local authorities for their operation. However local authorities do subsidise a number of journeys that are considered socially necessary but would not otherwise be commercially viable. We have indicated on the timetable routes or journeys that do receive a subsidy from the local authority.

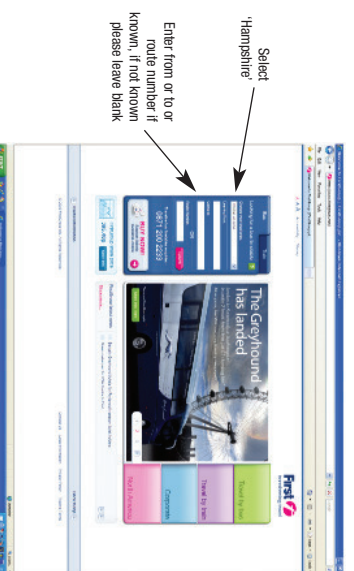

Currently Eastleigh Borough Council and Hampshire County Council subsidise journeys shown in this timetable book. For more information on bus subsidies in your local area please contact your local council.
